Sharda Care - Healthcity

A 600+ Bedded Quaternary Care Healthcity

Where Life Wins.

VISION

Pioneering Digital Healthcare System in the country, dedicated to delivering evidence & outcome-based patient care with a global standard of quality excellence, research-based training for healthcare professionals and leveraging cutting-edge technology for patients in India and abroad.

MISSION

We are committed to building a healthier future for all by harnessing the power of Technology & Innovation. We will provide patients with state-of-the-art healthcare empowering professionals to excel, and contribute to an Equitable, Accessible & Affordable Healthcare System Worldwide.

Where
600+ Beds
Stand for
600+
Chances
to Let
Life Win.

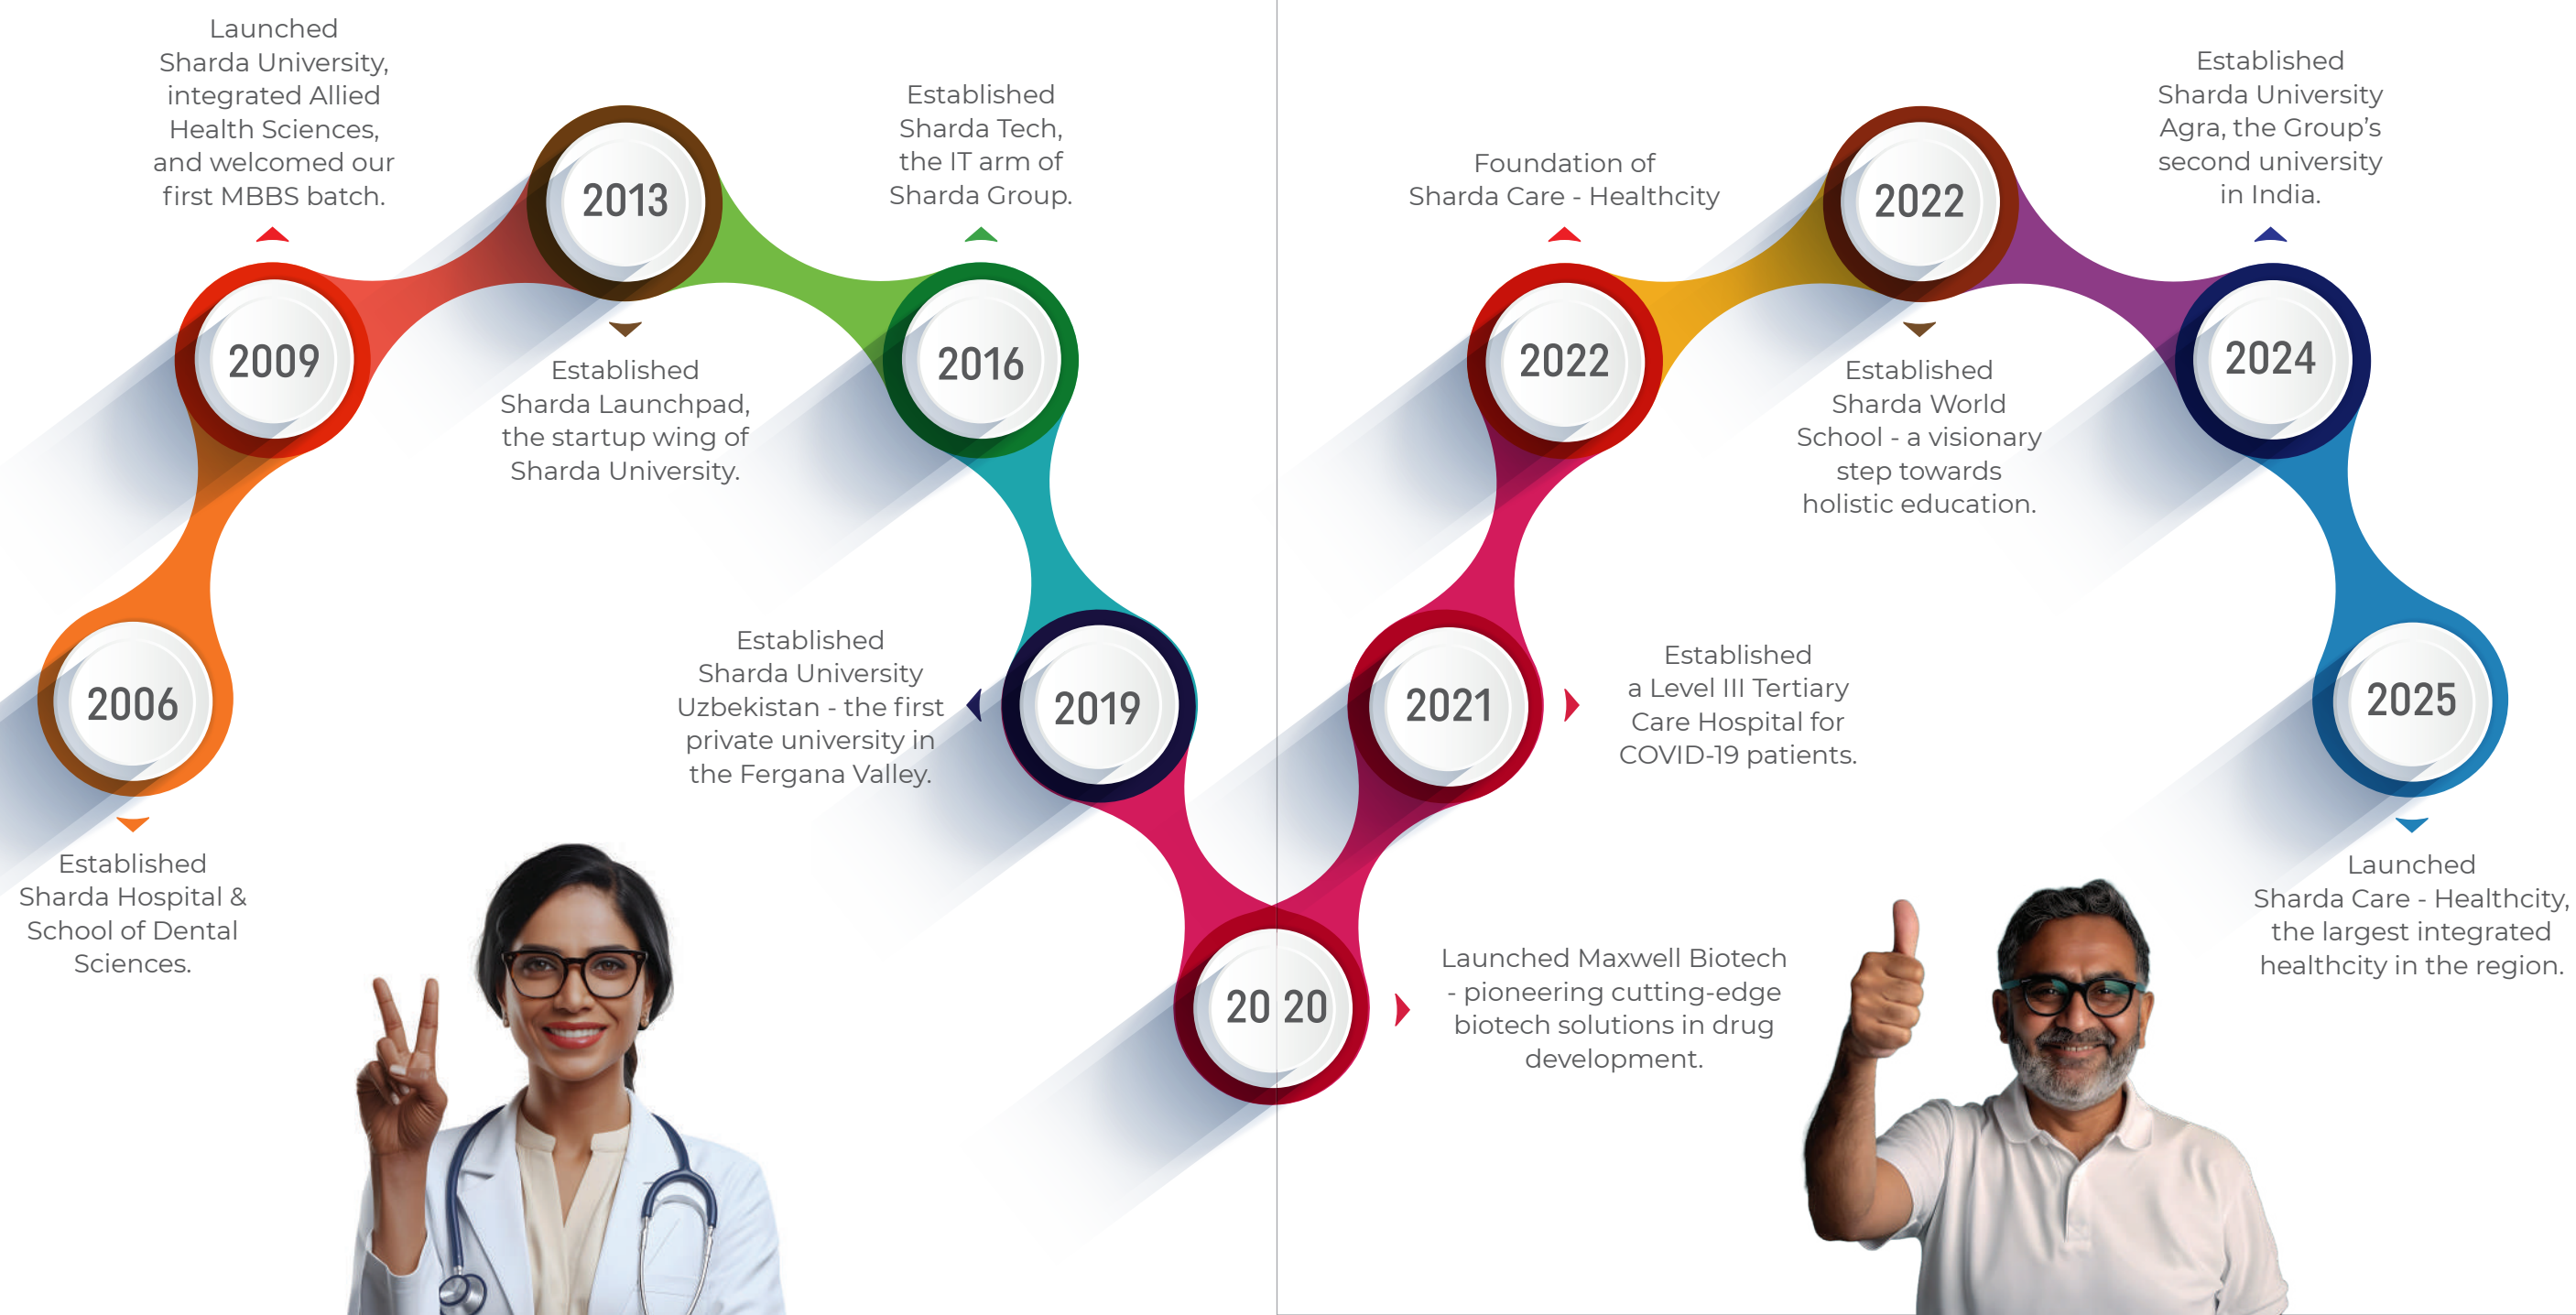

Sharda Care - Healthcity isn't just one of India's finest quaternary care hospitals - it's a place where healing takes shape. With over 600 beds supported by advanced diagnostics, robotic surgeries, and critical care infrastructure, we deliver precision-driven, people-first medicine. When the stakes are highest, we step in strongest. Because here, we believe in giving every life, its best chance.

A JOURNEY OF COMPASSION, INNOVATION AND EXCELLENCE

SHAPING THE HEALTHCARE'S FUTURE

At Sharda Care - Healthcity, our story is one of unwavering commitment to excellence and compassion. Since opening our doors in 2006 in Greater Noida, we have become a beacon of hope and healing for millions.

TRAIL BLAZING ACHIEVEMENTS IN MEDICINE.

RECOGNIZED. RESPECTED.

CENTRES OF EXCELLENCE

TRANSFORMING CHALLENGES INTO VICTORIES

At Sharda Care - Healthcity, our Centres of Excellence are where expertise, technology, and compassion converge - to ensure that in every critical moment, **Life Wins**.

Across specialties like Cardiac Sciences, Oncology, Neurosciences, Orthopaedics, Organ Transplants, Mother & Child Care, and more, our multidisciplinary teams deliver advanced, patient-centered care. From complex surgeries to life-saving interventions, we combine cutting-edge innovation with human touch - giving every life its strongest chance.

Because at the heart of every diagnosis, every treatment plan, and every recovery story at Sharda Care - Healthcity, there is one unwavering commitment: **To make sure Life Wins**.

ONCOLOGY

Medical, Surgical & Radiation

The Oncology Centre brings together medical, surgical, and radiation oncology under one roof. With early diagnosis, advanced therapies, and unwavering support, we fight every battle to ensure that **Life Wins**.

CARDIOLOGY & CARDIAC SURGERY

Our Cardiology and Cardiac Surgery Centre leads with expertise in heart care - from advanced diagnostics to life-saving interventions and surgeries. Because every heartbeat matters, every life matters.

NEUROSCIENCES

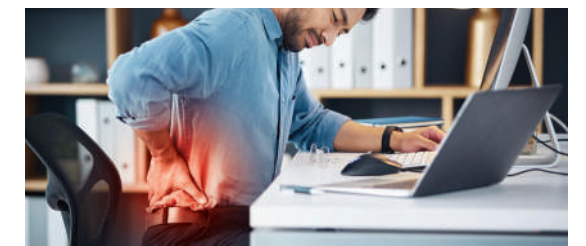

Neurology & Neurosurgery

The Neurosciences Centre combines advanced Neurology and Neurosurgery expertise with world-class technology to treat brain, spine and nervous system disorders.

ORTHOPAEDICS & LUMBAR SPINE

Joint, Spine & Sports Medicine

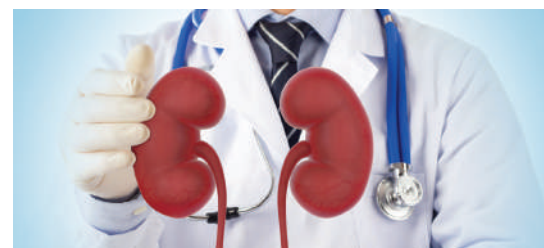

Whether it's a sports injury, joint replacement, or spine surgery, our Orthopaedics and Lumbar Spine Centre offers innovative treatments that restore mobility and strength.

NUCLEAR MEDICINE

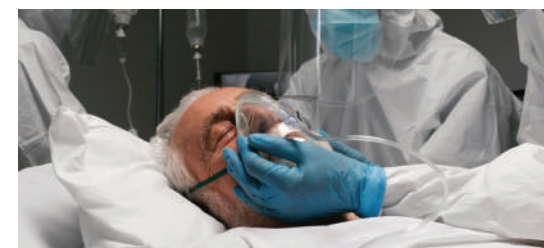

Harnessing advanced imaging and targeted therapies, our Nuclear Medicine Centre enhances precision in diagnosis and treatment across specialties like Oncology, Cardiology, and Neurology.

KIDNEY TRANSPLANT

A second chance at life begins here. With trusted expertise in kidney transplant, **Sharda Care - Healthcity** brings hope to families and healing to patients - where compassion meets clinical excellence.

CRITICAL CARE

With state-of-the-art ICUs and a multidisciplinary team, our Critical Care Centre provides life-saving support to patients facing severe conditions.

EMERGENCY & TRAUMA

Our 24x7 Emergency Department is equipped for rapid, expert intervention across trauma, cardiac, stroke, and critical emergencies.

Because when every second counts, our commitment ensures that **Life Wins**.

HELIPAD FOR AIR AMBULANCE SERVICES

Proposed helipad for swift air ambulance access, ensuring timely medical care during emergencies, because every second counts when it comes to saving lives.

TECHNOLOGY THAT TREATS. INFRASTRUCTURE THAT SAVES.

A COMMITMENT TO LET LIFE WIN,
EVERY TIME.

At Sharda Care - Healthcity, infrastructure goes beyond state-of-the-art buildings and advanced technology. It is a seamlessly integrated ecosystem, thoughtfully designed to deliver hope, healing, and health outcomes that truly matter.

Every innovation, every space, and every care protocol is crafted with a singular focus - to ensure that at Sharda Care, Life Wins every day.

Our **NABH-accredited** facility upholds the highest national standards of quality, precision, and patient safety, reaffirming our commitment to excellence at every step of the healing journey.

HI-TECH MEDICAL EQUIPMENT

COMPARABLE WITH THE WORLD’S BEST

Cutting-edge technology and empathetic care come together at Sharda Care - Healthcity, where world-class infrastructure is equipped with advanced diagnostic and therapeutic systems rivaling the finest in India. From precision-driven robotic surgery and state-of-the-art imaging (MRI, CT & PET) to next-gen critical care units, every piece of equipment is handpicked to ensure accuracy, efficiency and outstanding outcomes. Supported by globally trained specialists, we offer a healthcare experience that is as advanced as it is personal.

VARIAN TRUEBEAM LINAC

Advanced radiation therapy system for precise, customized cancer treatment.

GE ARCHITECT 3.0T MRI SCANNER

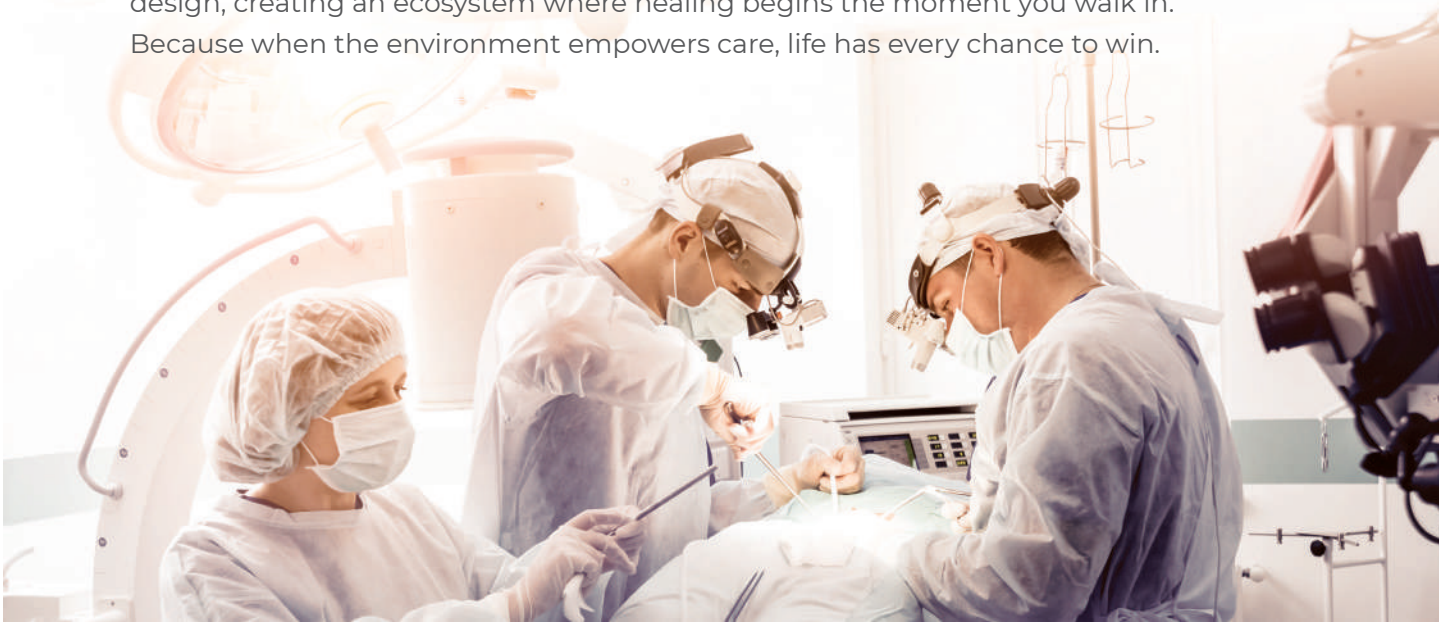

Wide-bore MRI with enhanced clarity for precise anatomical and functional imaging.

EVERY SQUARE FOOT DESIGNED
WITH ONE MISSION: TO HELP LIFE WIN.

From smart ICUs to modular OTs, every corner of Sharda Care - Healthcity is built to serve a higher purpose: saving lives with precision, compassion, and speed.

Our **NABH-accredited** infrastructure combines global medical standards with patient-first design, creating an ecosystem where healing begins the moment you walk in. Because when the environment empowers care, life has every chance to win.

INAUGURATION OF THE LARGEST INTEGRATED HEALTH CITY IN THE REGION

"With **Sharda Care - Healthcity**, we reaffirm our dedication to delivering advanced, compassionate, and evidence-based medical care. Our vision is to create a centre of excellence for critical and complex cases, setting new benchmarks in Indian healthcare."

Mr. Pradeep Kumar Gupta

Founder, Sharda Group

Chairman, Sharda Care - Healthcity

"**Sharda Care - Healthcity** is set to become a new landmark in world-class healthcare, offering advanced treatment options to patients who earlier had to travel to AIIMS or other top hospitals in Delhi."

Shri Yogi Adityanathji - Hon'ble CM of Uttar Pradesh

"Our state-of-the-art facilities, combined with a patient-first approach, will ensure seamless and high-quality care. This hospital aims to serve not only the people of Uttar Pradesh but also patients across the globe"

Mr Rishabh Gupta

Vice President

Sharda Care - Healthcity
