Beyond Borders.**

Chairman's Message

It is with immense pride and gratitude that I share this new milestone in our journey of serving society through excellence in education and healthcare. At Sharda Group, we have always been committed to empowering individuals and transforming communities. Today, we embark on an exciting new chapter with the launch of Sharda Care - Healthcity, an ultramodern 600+ bedded super-specialty hospital.

Rooted in over 18 years of experience in healthcare and the rich legacy of Sharda University and Sharda Hospital, Sharda Care - Healthcity represents our vision for the future of healthcare. This state-of-the-art facility integrates cutting-edge technology, clinical expertise, and compassionate care to deliver world-class medical services.

Our mission is simple yet profound: to ensure that quality healthcare is not a privilege but a right, accessible and affordable to all. By adhering to global medical standards and fostering innovation, we strive to set new benchmarks in patient care and medical education.

At Sharda Care - Healthcity, every life holds value, and every patient deserves the highest standard of care. Whether you are seeking treatment, engaging in our educational initiatives, or partnering with us, we are dedicated to delivering excellence with integrity and compassion.

Thank you for your unwavering support and trust in Sharda Group.

SHARDA GROUP: A LEGACY OF EXCEL

LENCE FROM EDUCATION TO HEALTHCARE

1995 - SHARDA GROUP

Established in 1995, the US \$500+ Million Sharda Group is focused on building a better world through business operations in diverse areas like Education, Healthcare, Information Technology, StartUps, Engineering Equipment, Construction, Biotechnology, Hospitality and Skill Development. The Group is proud to be one of the drivers of change in building a world where intellectual minds will thrive, everyone will have access to good health, edifices of excellence will define the skyline and New-age IT solutions will set new benchmarks.

The Sharda Group comprises over 25 companies operating in seven business sectors: education, information technology, engineering equipment, construction, hospitality, healthcare, biotechnology and agro research. The Group has operations in India and Uzbekistan and plans to expand further to the other CIS countries and Africa.

1996 - SHARDA GROUP OF INSTITUTIONS (SGI)

The Sharda Group of Institutions was established in 1996 to bring world-class education to the youth who saw tremendous opportunities arising out of liberalization. The first Engineering College, Hindustan College of Science and Technology was established on the Agra-Delhi Highway.

The huge demand for seats by the students led to the expansion of the College into its second division by the name Hindustan Institute of Management and Computer Studies (HIMCS) in 1997. 1998 was the hat-trick year as SGI came up with a new College named Anand Engineering College, AEC, and Agra.

2006 - SHARDA HOSPITAL

Established in 2006, Sharda Hospital has become a beacon of hope for patients from Greater Noida and nearby areas. The only 1600+ beds medical education and training hospital in the region, Sharda Hospital is driven by the vision of 450+ doctors who believe in holistic treatment and care.

2009 - SHARDA UNIVERSITY

Established in 2009, Sharda University has over the years become one of the leading centres of education, research and innovation in India with global recognitions and accreditations. The University prides in being the melting pot of various cultures from across the globe. The University has 14 Schools in Engineering, Management, Basic Science, Media, Law, Agriculture, Allied Health, Pharmacy, Medical, Dental, Architecture, Education, Humanities and Nursing.
